Our mission: to **teach**, to **inspire**, and to **empower** young singers to be life-long music makers who seek excellence in everything they do.

Everyone is talking about YCKC!

From our **singers**...

"One of my favorite things about being in YCKC is how close we are. We've truly become a family. My favorite memory so far is performing at the Kauffman Center!" -Hailey

"I was so excited to sing at the Mayor's Christmas Tree Lighting and to meet Mayor Sly James and shake his hand." -LaMya

"The Youth Chorus has been an incredible experience for me, full of fun and friends and fantastic opportunities I never got from school!" -Isabelle

"I like that I get to exceed and go beyond my limits. In YCKC, I get to learn music that I enjoy and that challenges me." -Caleb

"I love every concert, every rehearsal, every hour, every minute, every second. I love my choir so very much!" -Emma

...to the **families** who love them

"Our daughter is not just having fun, but she is learning skills that will help her throughout the rest of her life - in school, in her hobbies, and in her career. I would encourage any adult who knows a kid who wants to sing to enroll him or her in the Youth Chorus of Kansas City. It is truly one of the best things we've done for our daughter." -Sarah

"My son is learning how to read and sing music, which is not only valuable knowledge from a musical standpoint, but he is also learning how to focus and achieve - all while creating a lifelong bond with the other children in the choir." -Jennifer

"If you have a child interested in singing, YCKC truly is an amazing opportunity to learn from the best!" -Laura
